PITT SIGHTINGS

I joined the Brady Urological Institute at Johns Hopkins recently and in just two months ran into three other Pitt med classmates: Yvette Kasamon (MD '99), an attending in medical oncology; Devin Sanders (MD '99), attending in pediatric anesthesia and critical care; and Ken Gage, a resident in radiology after a long stint in the lab finishing his MD/PhD at Pitt in 2007. Who knows how many more of us are here?
