CALL FOR SUBMISSIONS

Feeling a bit Jerome Groopman? Perhaps a little Atul Gawande? Oliver Sacks? Okay, how about Chuck Staresinic-ish? Is there a writer in there itching to let loose?

There is? What a coincidence. Pitt Med magazine is always looking for new voices to talk about science, medicine, and humanity.

There’s no guarantee that your story will be a perfect match for us, but we encourage you to consider submitting a personal essay to the magazine. Have a look at our submission guidelines at http://pittmed.health.pitt.edu. You pick the topic (medically related), string together 900 or so words of golden prose, and send the resulting masterpiece to: medmag@pitt.edu or:
